“THE GARDEN” PROJECT

**Take a peek into the
process and creation of
the garden project**

ALBA | CHRUTHACHAIL

‘The Garden’ is a community art project led by Create Paisley and generously funded by Creative Scotland. Over a series of hands-on workshops, we worked with brilliant local groups to ask one central question:

“What do you want to see grow and thrive in your community?”

Using paint, storytelling, and all kinds of creative outputs, everyone brought their visions for their community to life. The results were absolutely BRILLIANT!

We were endlessly impressed by the dedication of all the groups involved:

A massive, heartfelt thank you to everyone who gave the best ideas, creativity, and passion. Your unique insights didn't just contribute to the project—they shaped the entire direction from start to finish.

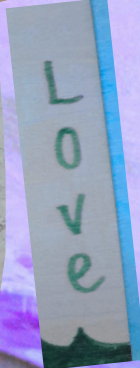

The finished artwork will be on display for all to enjoy at Barshaw Park! A huge, heartfelt thank you to the amazing Friends of Barshaw Park for making this showcase possible.
